— ABOUT US —

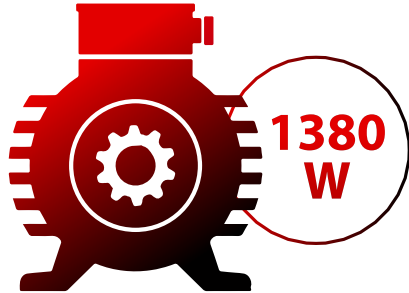

Forbes believes in improving people's lives, and positively impacting lifestyle choices. Through impeccable standards of design and quality, Forbes empowers you with path breaking products that make life easy and help you stay healthy. Forbes is one of the leading brands in the home cleaning category of vacuum cleaners.

The Forbes Wet and Dry NXT with high performance powerful suction is indeed a value package for deep cleaning your home. It exhibits a dual functionality of cleaning both wet and dry surfaces to create an immaculate surrounding. Wet & Dry NXT comes with a premium finish of the stainless steel tank.

EFFECTIVELY CLEANS WET & DRY WASTE

The Forbes Wet & Dry NXT has the ability to clean both wet and dry spills, which makes it extremely versatile. It completely does away with the need to carry separate equipments for wet and dry spills.

POWERFUL 1380 W MOTOR

Wet & Dry NXT with its 1380 W motor ensures a powerful suction and blowing that removes deep embedded dust and dirt from any kind of soft surfaces and upholstery.

12 LITRES DUST CAPACITY

Wet & Dry NXT has a large capacity of 12 litres. It helps you clean at a stretch without having you to empty the dust tank often.

DOUBLE FILTERS

The Forbes Wet & Dry NXT comes with a double filter ensuring that no dust or dirt escapes, thus ensuring a clean and healthier surrounding.

DURABLE STAINLESS STEEL BODY

The durable stainless steel body makes it ideal for rugged use and extends the overall durability of the machine.
